CMPS 1044 – Extra Credit
Due: Monday, May 2 – 5 points to an exam

Attached is a page of web sites offering jobs in computer science. I collected these at a recent job fair. I recommend saving this for the time when you will begin to look for a job.

Extra Credit.
Access 4 different companies and type up the following information. (You can use other companies not just these, if you like.) Submit by Monday, May 2 for extra credit. 5 points added to an exam.

1. Company name
2. Job/Position title
3. At least 5 qualifications required for the position
4. Salary range, if specified
