Vocabulary

Write a complete definition for each term. Definitions must be completed on a computer-based word processor with your name typed at the top of the first page. Handwritten assignments will not be accepted. This assignment will be accepted up to 1 week late but a penalty of 5 points per day will be applied. This is a non-replaceable grade. Number the terms as shown below. Single space lines with one blank line between terms. Margins should be set at ½ inch. You may print front & back if you like.

1. Computer  
2. Hardware  
3. Software
