Instructions for Short Student Presentations

1. 2 to 3 minutes maximum - Practice aloud at home, timing yourself at least 2 times
2. Summarize one article you have read in support of your topic.
3. Develop 3 Power Point Slides
   a. Select a Theme with light background, dark font, not too busy (refer to posted slides on making a presentation)
   b. Title Slide #1: Title of your article, your name, “Midwestern State University”
   c. Slide #2: 3 to 5 Bullets of the main points you will discuss; phrases, not complete sentences
   d. Conclusion slide #3: Complete bibliographic information of the article AND one image appropriate for your talk.
4. Arrive a few minutes early to load your slides on the computer. Unless there are volunteers, students will be called randomly. All students are expected to be prepared. Points deducted if called on and not prepared.
