Attendance
Attendance will be taken daily. Students with excessive absences will be dropped from the class. Arriving to class late is considered unacceptable. Consistent lateness will not be tolerated.

Cheating: Each student is expected to write, design, code, enter, test, and validate his/her own work. To submit another's work (even partial) as your own is called plagiarism and is subject to severe action as stated in the MSU Student Handbook. Two students working together to complete an assignment is also considered cheating. Students are expected to see the instructor for help on assignments, if necessary. ~ Cheating in any form will not be tolerated. This includes, but is not limited to, cheating on exams, turning in another's work as your own, turning in uncited work taken from the internet, & plagiarism on written work. Punishment may include an F in the course or expulsion from the university. (Refer to Student Handbook and Activities Calendar, Code of Student Conduct, Standards of Conduct, No. 11.) A discussion of plagiarism will be given early in the semester; slides are posted on the instructor's website.

CMPS Policy on Testing Process
The Department of Computer Science has adopted the following policy related to testing.
- All bags, purses, electronics (turned off), books, etc. will be placed in the front of the room during exams, or in an area designated by the instructor.
- Unless otherwise announced by the instructor, nothing is allowed on the desk but pen/pencil/eraser and test papers.
- No student is allowed to leave the room during an exam and return.
- There will be no talking or communication of any kind among students during an exam.
Academic Honesty
The Department of Computer Science had adopted the following policy related to cheating (academic misconduct). The policy will be applied to all instances of cheating on assignments and exams as determined by the instructor of the course. Additional information can be found in the MSU student handbook and MSU catalogs.

- 1st instance of cheating in a course: The student will be assigned a non-replaceable grade of zero for the assignment, project or exam. In addition, the student will receive a one letter grade reduction in course.
- 2nd instance of cheating in a course: The student will receive a grade of F in course & immediately be removed from course.
- All instances of cheating will be reported to the Department Chair and, in the case of graduate students, to the Department Graduate Coordinator.

CAMPUS CARRY: Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University’s webpage at https://mwsu.edu/campus-carry/rules-policies.
