CMPS 5443 - History of Computing
Term Paper & Presentation Information & Due Dates

Short Presentation - 5 to 10 minutes
- Mon. 2/23 - Article approved - send link via email BEFORE 2/23
- Mon. 3/9 - Slides approved
- March 23 - Student Presentations (Copy of slides due day of presenting)
- Content of presentation is to be an overview of the article AND put into perspective of the time it was published & how it ties in with our class discussions. If article is too short for a 5 to 10 minute presentation, select a different one. If a long article, select the most important parts to discuss. Print slides 6 per page for turning in.

Term Paper (TurnItIn) & Presentation - 15 - 20 minutes
- Completed - Book Approved
- Mon., 2/23 - Finish reading book
- Week of Feb 23 - Meet with Halverson to discuss paper outline/main points
- Mon., March 9 - Paper outline approved
- Mon., April 6 - Halverson will check progress of paper on TurnItIn
- Mon., April 20 - Slides approved
- Mon., April 27 - Term Paper Due (TurnItIn AND Hard Copy)
- Week of April 27 - Presentations of Term Paper (Copy of slides due day of presenting)
- You can upload paper to TurnItIn as many times as you like. You may also bring your paper by my office anytime to discuss.
- References: In addition to your book, you can use the class text book as a reference. You MUST find at least 3 additional references for your term paper. (Total of at least 5 references)
  - The body of the term paper must be at least 3 full pages, single spaced, and no more than 5. Do not count images, tables, figures, references, or cover sheet.
  - Please use single spacing. Use cover page for term paper only. Abstract & References are to be on separate pages.
  - The outline of the body of your paper will vary from the document and will be approved by Dr. Halverson.
