Read ALL references to the 2 laws in the text books – use index.

Read article at this link

Find one additional article for Amdahl’s Law & one for Gustafson-Barsis’ Law

Email me the links to me no later than midnight Sunday
Put 4883 – performance link - this will count as a homework grade

There will be an in-class activity on Monday that strongly depends on your being prepare by doing the above work. In education circles this is called “Flipping the classroom.”

You need a calculator and paper & pencil/pen.

You can work in pairs if you want, not required. Must determine pairs ahead of time & sit together when you arrive on Monday.
